PDAC 

Denotes a product that has been approved by the Pricing, Data Analysis and Coding (PDAC) contractor for one or more of the prior authorization codes as specified in the Healthcare Common Procedure Coding System (HCPCS) codes.

[†]This guide is for reference only. The choice of appropriate codes remains the provider's sole responsibility to verify the accuracy of the HCPCS codes used, determine the applicability to each patient, and fulfill the medical necessity/claims documentation requirements. Blatchford assumes no responsibility or liability for the provider's actions.
